

## Footy for Tots Session Rules

To allow Footy for Tots to provide you and your child with the best possible experience while at a Footy for Tots session, we kindly ask that you make yourself familiar with our simple session rules.

- For Health and Safety purposes, please ensure your child is not running around the venue prior to your session start time.
- You are the responsible adult for your child when he/she is attending a session. Adults should stay within eye sight and reach of their child at all times.
- Please arrive 10 minutes before your session. Remember to sign-out on the register if you have to leave the session early for any reason, for emergency evacuation purposes.
- Please keep the playing area clear of any personal belongings or siblings at all times.
- Please ensure that if your child has been given a 'time out' by the coach that you sit with your child on side line for the full 3 minutes. This is to allow the session to run smoothly with minimum distractions.
- A drink is essential, food is not.
- Photos and short video clips are OK, please keep these to a minimum and must only contain your child, unless you have permission from the other parent/careers. At times Footy for Tots will take photos/videos for promotional purposes, you will always be informed of this prior to the session. No photos are to be put online unless you have consent from all parties involved.
- Try to keep noise and disturbance from the side to a minimum to avoid distracting your child and others.
- Appropriate clothing and footwear for each session.
- No payments will be accepted before the session, please wait until the session has finished. Any queries then please contact Footy for Tots.
- Parents must stay in the room and must be made aware that they remain responsible adults for their child/ children at all times.

**Thank you for your co-operation!**
